### Technique

Natural Base	Level 4
Panels - 1, 3 Inner Triangle - section 4	Infiniti Permanent 6.036 + 10% .1 Ash Intensive + 6% Affinage Infiniti Developer
Panel - 2 Perimeter of Triangle - section 5	Infiniti Permanent 8.035 + 10% .1 Ash Intensive + 9% Affinage Infiniti Developer
Global Colour	Infiniti Permanent 5.036 + 20% .1 Ash Intensive + 6% Affinage Infiniti Developer

### Steps

1. Section hair in preparation for colour application as shown in diagram 1.
2. All panels consist of 3 back to back finely sliced foils. Mix colour formula for "panels" and "triangle section" (see above).
3. Begin application at panel 1, followed by panel 2 then panel 3.
4. Apply triangle section colour – start by placing colour in foil around the perimeter of the triangle section (see above for colour formula), finish with "inner triangle" formula, also placed in foil.
5. Mix and apply "Global" colour formula as a virgin head application, process for 30 minutes.

### City Styling

Protect hair with Sapphire Ice Defender thermal guard, lightly spray Sapphire Ice Sea Salt Spray for root lift and follow with Sapphire Ice FDC on the mid lengths and ends for directional placement – blow dry into place, finish with Sapphire Ice Firm Hold and a Sprits of Sapphire Ice Glazer for instant sparkle.
